

Dear Customers,

Please take notice that Hitachi sells its Projectors and TVs (hereinafter called as “**Hitachi Products**”) in India only through its authorized distributors. Hitachi has not granted any permission or authorization to any e-commerce portals such as Flipkart, Amazon India, Snapdeal, eBay India Sulekha.com etc. to sell or advertise any Hitachi Products on their websites. Customers are therefore informed that these e-commerce portals are not authorized to make any representation whatsoever in respect of Hitachi Products and Hitachi shall not be bound by the representation, commitment, warranty, promises and/or entitlement offered by the said e-commerce portals.

If you find any Hitachi Products on any e-commerce portals such as Flipkart, Amazon India, Snapdeal, eBay India etc., make sure that the seller is an authorized distributor of Hitachi. The list of authorized distributors, please click [Projector Distributor List](#), [TV Distributor](#). If you buy from unauthorized seller/dealer/distributor (whether through any e-commerce website or physical store), Hitachi shall not be bound by representation, commitment, warranty, promises and/or entitlement offered by the said unauthorized seller/dealer/distributors. We shall also not provide and/ or honor any kind of after sale service or warranty on such Product from unauthorized seller/dealer/distributors.; which otherwise we provide for our product sold by our authorized seller /dealer/distributors.

We encourage our customers to check warranty entitlements and authenticity of the products before taking decision to purchase any Hitachi Products.
